Winton, CA 95388
Tax ID # 37 – 1518947

Dear Business Owner or Friends of FFA:

The Atwater Ag Booster Organization is a Non-Profit Charitable Organization formed for the specific purpose to support and promote Future Farmers of America (FFA) and its members' activities at Atwater High School and Buhach Colony High School. The need for a booster club is very important now due to a reduction in funding for judging teams, welding/wood/engineering projects, Ag science classes and Ag leadership classes. As a club, we have come together to raise funds to make sure that these programs are still in place for our children and those in our community.

This year we are happy to announce that once again we will be holding our Dinner event and Auction. **Our 25th Annual Dinner will be held on March 9, 2024 in Yosemite Hall at the Merced County Fairgrounds.** All of the profits from this dinner will benefit both high schools and provide scholarships for graduating seniors who are pursuing degrees in Agriculture.

Since its inception, we have made contributions of over $741,863.00 to the FFA programs at our 2 high schools. The annual Dinner/Auction event is the only Fundraiser of this organization and hosts a sell-out crowd. Due to the generosity and support of the community, we raised a record breaking amount of almost $69,000.00 at our Dinner/Auction in March 2023.

In order to have such a successful dinner, we rely on donations from businesses and individuals.
We are in need of auction item donations for our Silent & Live Auctions and hope that we can count on your support.
All donations are widely appreciated by our organization and your name will be recognized at our event.

Thank you for your continued support of the agriculture community and the students that represent our future.

Pat Presto ~ Atwater Ag Boosters President
Marvin Dillsaver ~ Vice President
Amy Vann & Molly Peterson ~ Secretaries
Kevin Olds ~ Treasurer
